## MISSION

**“Learning today to lead tomorrow”**

Our mission is to engage all students to meet their potential through differentiated approaches that address all learning styles. We are committed to equip today's youth with the social, emotional and academic tools for life-long success.

## VISION

Our team is dedicated to the development of a school climate where all members feel valued, respected, and safe. We maintain high expectations and encourage students to connect, create, and collaborate in a 21<sup>st</sup> century learning environment.

## SCHOOL PROFILE

Our school is a public community school which provides instructional services to a diverse population of students from Kindergarten (4year old & 5 year old) to Grade 2. LaSalle Elementary School is committed to educating the whole child within a safe, inclusive and bilingual environment, fostering success for all. LaSalle Elementary Junior offers an early immersion and bilingual program with a focus on the arts. We provide a quality learning environment which encourages each child to develop to their full potential and fosters within them a sense of community. Our school team is dedicated to creating a welcoming and caring school climate where every child feels a sense of belonging and safety.

We seek to instill the joy of lifelong learning within our students and strive to guide them to become critical thinkers, confident and responsible members of society who respect and appreciate diversity. As we look to the future, we strive to increase our students' awareness of global issues that impact our lives. We wish to instill in our students the importance of taking an active role in promoting positive change in the community and in the world.
